

TrueBlock™ Butcher Block Tops

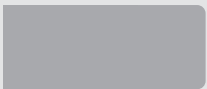

These butcher block tops are built with select American-grown maple and oak hardwoods. TrueBlock™ Tops are 1-1/2" thick butcher block tops made of 7/8" wide continuous wood strips up to 96" in length. They can be finished in a variety of standard or custom stains (p.145). Table tops are protected with 1 coat of catalyzed vinyl sealer and 2 coats of catalyzed conversion varnish, semi-gloss.

These tops can be produced with Standard or Designer edge profiles.
