

ArborEdge Laminate Tops, Standard Wood Edge

ArborEdge Tops combine a durable laminate surface with a beautiful natural wood edge. Strong enough for high-traffic settings the solid wood accent adds both substance and design dimension. Contrast or coordinate the wood stain with your desired laminate.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in.

A high-pressure laminate surface is bonded to a 1-1/8" particleboard core with a backer sheet for stability. The 1 x 1-1/4" solid wood edges can be finished in a variety of standard or custom stains and are protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.

Pricing shown here is for Standard Edge Profiles.
