

EnduraCore Solid Phenolic Table Tops

Slim and sturdy, these extremely tough tops with a solid black core are ideal for healthcare or any space with heavy-duty needs.

The unique seamless construction requires no applied edge. It resists moisture and prevents accumulation of food debris or bacteria.

Available with any standard Wilsonart® laminate, OpenStudio™ patterns, or design your own Custom laminate. Surface selections are shown on our website.

EnduraCore™ Table Tops are made by fusing an image layer between a protective clear overlay and a 3/4" thick solid core phenolic base under heat and pressure. A 3/4" exterior grade plywood mounting plate is bonded underneath.
