

FiberCore MDF Table Tops

Our FiberCore Tops feel warm to the touch like wood, but come at a lower cost. The exposed fibers in the surface give these tops a “recycled” aesthetic. This material absorbs stain evenly and thoroughly, which gives it an appearance of both consistency and depth.

FiberCore Tops are made from solid 1-1/8" Medium Density Fiberboard (MDF) with a flat eased edge. They can be finished in a variety of standard or custom stains.

Table tops are protected with 1 coat of catalyzed vinyl sealer and 2 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.

Constructed of 100% recycled wood fiber.
