

# Gemi Series

The Gemi is unique in its recycled seamless metal-free<sup>†</sup> polypro frame in gray or black. Available with or without arms on chairs, armless stools, optional upholstery for chairs only, and at three heights (table, counter, and bar). Gemi is ideal for high-use areas.

- Frame:** Single-piece, metal-free<sup>†</sup>, molded recycled plastic frame
- Seat:** Plastic (chairs & stools) or optional upholstery w/graded-in contract fabric or COM (chairs only)\*
- Stackable:** 5 high
- Glides:** Non-marring plastic
- Features:** Plastic bumpers included under each seat to protect units while stacked
- Warranty Note:** Gemi is designed and warranted for indoor and covered outdoor spaces, such as enclosed patios, covered courtyards, and sheltered multi-season areas. It is not warranted for full outdoor exposure.
