

# MultiPly Plywood Edge Laminate Table Tops

MultiPly Tops offer both sleek looks and high performance. The exposed multi-layered plywood edge evokes 20th century innovations in furniture design while remaining always on-trend. A clever way to incorporate a subtle wood accent into any space.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in.

Flat Eased

A high-pressure laminate surface is bonded to a 1" thick Baltic Birch plywood core with a backer sheet for stability. MultiPly™ edges can be finished in a variety of standard or custom stains and shaped in a number of profiles. Table edges are protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.
