

Veneto Series

Influenced by mid-century Modernist design, the Veneto features sturdy plywood shell construction, strong hardware, and a round tubular steel frame. Flex in the back gives it an added dimension of comfort.

Frame: 3/4" solid steel with chrome or powdercoat finish

Seat & Back: Molded plywood with standard or custom stain

Glides: Plastic

Available in a Half-Back (HB) & Full Back (FB) stool. Pricing below is for Powder Coated (PC) and Chrome (CR) finishes
