

Windsor Trash Receptacle

Windsor is elegantly designed to minimize users' contact with surfaces that may harbor germs or bacteria. Ideal for spaces with smaller tray needs.

The plastic 32-gallon garbage can is included, perfectly tailored to fit. Easy to clean and maintain. Can be bolted side-to-side with other Windsor units.

Surface: Available with any standard Wilsonart® laminate, OpenStudio™ patterns, or design your own Custom laminate. Laminates are shown on our website. If you don't see the laminate you want, ask and we will grade it in!

Construction: High-pressure laminate mounted to a particle board cabinet with white melamine on the inside.

Sizes/Shapes: Our standard unit is built as shown here, and we can also produce them in any shape or size--if you have a specific design in mind, just ask your account manager.
